

## Deep Green Commercial Cleaning Solutions

### Highly effective, Cost Competitive, Fully Non-Hazardous Cleaning Products

Introducing HealthClean, world leaders in environmentally safe cleaning products -  
**green products which actually work!**

Using natural plant-based ingredients, we ensure that our comprehensive range of cleaning products are all non-toxic, non-hazardous, non-polluting, and readily biodegradable. We aim to deliver the safest, most effective, and cost-competitive green cleaning products.

Green Seal™ is a world-wide environmental standard for industrial and institutional cleaners based on reduced human and environmental toxicity and reduced volatile organic compound content.

EcoLogo™ is a world-wide environmental standard for industrial and institutional cleaners, ensuring that products bearing this logo meet stringent standards of environmental leadership.
